

DUNNING'S

Your Local Fuel Distributor

“Dunning’s is your local Fuel Distributor, Family owned and operated”

Established in 1962 as a 44 gallon drum fuel supplier based in Sawyers Valley, with a petrol truck and one service station.

Three generations and 53 years later, Dunning’s run a fleet of trucks, depots, roadhouses, 24 hour fuel card outlets, and service stations strategically located throughout Western Australia.

Dunning’s is your local distributor of quality fuel and lubricants throughout Western Australia. Our core business is made up of a balance of Primary Producers, Transport, Earthmoving, Mining, Marine services and Commercial Industries.

Dunning’s have been Marketing and Transporting Fuel for 53 years, and during this time have transformed their business into one of the most efficient Fuel Transport Companies, based in Western Australia.

Dunning’s operate their fleet of Trucks 24 hours a day, 7 days a week; where on a daily basis, Dunning’s have Trucks operating through the North, South and East of WA, with strategically placed depots and refuelling outlets throughout WA to capitalise in customer service and reliable delivery times.

At Dunning's we look at your business as a whole, not a once off delivery.

So give Dunning's a call and discuss your fuel requirements, with a Dunning. You can talk to Jason Dunning at the office, Steven Dunning at our retail sites, or Troy Dunning out and about.
