New Branding Tool: Room Key Holders with Your Logo Imprint

- Guest can keep their Room Key, Driver's License, Business Cards, etc. for quick, easy access.
- They will be viewing YOUR LOGO several times every day, even long after the stay is over.
- Sticks on the back of any cell phone with strong, sturdy 3M adhesive backing.
- Makes phone easier to grip and find because of color contrast & shape.
- Can be removed whenever they want with no residue, but is so convenient they will probably leave it on and use it forever or until their next stay and they get a new one!
