

How to Make Pictures for slide show and Header

1. Text Placement: It can be Left or Right side of the Picture. Depending on the Picture.
2. Upper Text in Gray blue or white, Middle Text in Orange or Blue or White, Lower text in Gray, blue or white.
3. Right below the text two button for "Call to Action" Buttons: LERAN MORE, GET STARTED. Buttons will be bordered with Orange line or Blue line
4. Need Arrow on the right and Left side
5. 5 small indicators to show slide position

6. On the Slide show, we prefer to have professional background like Light Gray, Blue & Orange.
7. The Picture needs to be blended with the background
8. The text area can be blended with single color
