

OWNERS:

BECOME A PARTNER

As an owner of a luxury property in a vacation destination you understand the value of your prized asset. Partnering with The Hotel House is the most effective way to maximize the return on your valued investment.

Is your home a Luxury Hotel House? Our elite clientele require the best of the best, which is why we are so selective. As a market leader in luxury vacation rentals, we adhere to a rigorous set of standards as we evaluate a potential property. Only the finest homes will be chosen to be part of the exclusive Hotel House Collection.

Are you interested in working with The Hotel House?

WHY BECOME OUR PARTNER:

Selection Process:

- We hand-pick only the best properties, accepting less than 25% of the homes that we evaluate. With a strict selection process, we ensure that each of our partner properties receives the exposure and attention it deserves.

Pay-for-Performance Model:

- We're successful when you're successful. With no annual subscription fees, or pay-per-leads, our model allows our interests and yours to go hand-in-hand.

We Take Care of the Details:

- We'll ask the right questions to get to know you, your property, and your preferences. Then we'll take care of everything that's needed to showcase and book your property online.
