The Band

If you're looking for a super talented polished wedding dance band then please don't call us. However, if you seek the need for a fun energetic rock & roll cover band we may fit the gig. Formed In 1994, A Bunch of Guys has entertained in bars, restaurants, birthday parties, weddings, corporate parties, and charitable events throughout Orange County. Our set list spans six decades of popular rock-from Elvis to Ozzy, Zeppelin, Weezer, Foo Fighters, and we may even throw some disco down. Our motto is simple; As long as we are having fun, you will have fun...trust us, it works. If your looking to add some extra positive energy to your event, give us a shout. We love what we do and hope that you will to.....
