

# Style

Minimalist / simple. Thin lines. All original, unless any icons are standard (i.e. a home or gear icon etc.). we don't want to find icons were copied from another site.

## Example of style

<http://www.flaticon.com/packs/thick-icons>

# Size Requirements

3 sizes for each icon:

- ~200x200px
- ~150x150px
- ~100x100px

# Coloring

Minimal coloring, predominantly transparent and dark grey. Sometimes colors may be justified for some components of an icon - feel free to experiment.

# Format

Require .png

Bonus for .svg
