

WORK

1 – Like the file I sent, but more visual, catchy, cool and modern.

You may use the same sentence “A magia vai começar” that means “Magic will begin”.

2 – The second page I believe this could be a page with testimonials

I will attach pictures, and you place the quote of each person:

“A magia do João Miranda transcende qualquer cultura. É ilusão, mistério e arte no seu estado mais puro.” – Pedro Abrunhosa, músico

“Nunca vi nada assim. Continua com o excelente trabalho” – João Manzarra – apresentador de televisão

“Contratámos o João Miranda há vários anos, sendo um sucesso garantido em todos os nossos eventos.” – Teresa Lameiras - Seat Portugal

“O João foi convidado do nosso casamento e actuou no copo de água e pelas várias mesas. Passados 6 anos os nossos amigos continuam a falar dele. Não podia recomendar mais os seus serviços.” - Ana Silva – cliente privado

Bellow the testimonials place the word “Clients” and place there the logos of the companies I have worked for (see my website www.joaomiranda.com) for that information.

3 – Serviços (I don’t know if you want a page for this title. Its the services I do, close-up magic and stage magic).

The 3.1 is close-up magic, trickd with cards and coins near de spectators.
The 3.2 is stage magic, owith lights, sounds systems.

3.1 – Magia de perto – same texts, diferente images (going to be sent)

3.2 – Magia de palco – same texts, diferente images (going to be sent)

Then I need a table with the prices and the type of magic I do. I will fill those spaces later perhaps.

After that I need a page with my two best sellings books:

https://www.google.pt/search?q=escola+de+magia+porto+editora&es_sm=119&source=lnms&tbn=isch&sa=X&ved=0CAcQAUoAWoVChMI6e7z9qCrxwIVBrgUCh0KjA7c&biw=1159&bih=577

One book is called “Escola de magia” and the other “Truques com cartas” both from Porto Editora, so you can Google and find the images.

I also need the sentence “João Miranda escreveu dois livros best-seller para a Porto Editora, vendendo mais de 20.000 cópias”

NOTE: Porto Editora is the biggest editor of books in Portugal, revenuing \$100.000.000 per year, so you can see how big it is.

Finally I want a slide with the image bellow, but I need the text with better design.

And bellow my website www.joaomiranda.com

My website is being designed but you can now see how modern it looks.
I want the presentation with this type of extremely modern design.
