Easy Access

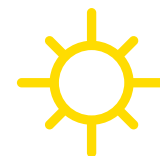

Undercover storage with wide corridors and drive-up access

All U-Store-It units are undercover, so you can load and unload in comfort and out of the weather. Drive up and park your vehicle conveniently near your unit or access it via our wide corridors.

Bright and clean

Modern facilities and the added security of area-lighting

Take pleasure in storing in one of our immaculately maintained facilities. Area lighting means even when it's dark outside, entry to your unit is bright and well lit, with each unit also independently lit.*

Secure storage

Feel secure knowing your valuables are in safe hands

24 hour digitally recorded surveillance, individually alarmed units, security fencing and key pad entry ensures your property is always protected. Plus, you keep possession of the padlock key securing your unit - putting you in control.

Free hire

Move in with our trailer, or we'll reimburse your hire costs*

We offer customers complimentary use of our U-Store-It trailer. Or, if you're hiring a trailer, van or truck, we'll reimburse you for up to \$80 against any costs incurred moving into your U-Store-It unit.

*Conditions apply.
