AFTERSCHOOL PICK –UP PROGRAM

OUR PROGRAM

ONE STOP PROGRAM

After School Pick-Up Program

provides an all-inclusive after-school service for busy parents of school-aged children (Grades k-8) including: After-school transportation, Homework Help, Academic Enrichment Exercises and Extracurricular Activities, in Southlake and the surrounding areas.

Our Mission

Our mission is to offer a service that combines convenience and excellence: we want to reduce the workload of busy parents through a program aimed at nurturing the whole child. The fact that our program offers transportation from school is just the icing on the cake—our team of caring and supportive tutors will help your child to develop intellectually and to become more successful academically, and the many on-site extracurricular activities will allow them to improve their physical, social, critical thinking, and other important skills necessary to leading a healthy and productive life!

After-School Pick Up

Transportation is provided from school to our center and any partnering on-site extra-curricular activities.

Homework

Homework is taught by close supervision and in guidance of highly qualified tutors.
(All Subjects)

Enrichment Exercises

Workbooks will be provided to target, strengthen and reinforce your child's academic skills.
(Math & English)
