

WHAT IS THE REAL THING WHEAT GRASS?

Wheat grass is a superfood that's been found to contain all 103 elements known to man. When it's grown organically, it absorbs 92 minerals from the soil. The REAL THING Wheat Grass is a power-packed, multi-nutrient source. Containing nothing more than powdered organically grown wheat grass, it's a nutrient-rich supplement, bursting with vitamins, minerals, proteins and antioxidants; such as vitamin C, vitamin E and especially chlorophyll.

WHY IS THERE NOTHING LIKE THE REAL THING? The beauty of the REAL THING Wheat Grass is that it allows the nutrient rich goodness of wheat grass to stand on its own. We've added nothing to this superb nutritional source – no maltodextrin or brown rice. As a whole food, it contains the natural wheat grass fibre which assists in promoting overall gastrointestinal wellness.

SERVING SUGGESTION: Mix one slightly heaped tablespoon (about 7g) with half to one glass (125-250ml) of water or fruit juice according to taste and take once or twice a day.
