

NATURAL BEAUTY PEEL

Refresh and Renew Pomegranate Peel
finished with Enzymes

\$169

Reveal your natural beauty with Pomegranate and Pure Enzymes developed exclusively for Muse Doctors.

Pomegranate evens out the top layers of skin and exfoliates while potent antioxidants prevent free radicals.

This is perfected with the natural power of Cranberry enzyme & chirally correct L-Lactic Acid for brighter and more youthful skin.

Benefits

- 1 Stimulates Cellular Turnover
- 2 Protein Synthesis
- 3 Exfoliates and Brightens Skin
- 4 Detoxifying and Antioxidants

Hi Beautiful,

Welcome to a
transformational event
at Muse.

We are passionate
about living beautifully so
here is \$50 off your first
treatment at Muse.

Sharing is caring so if you know
someone who would appreciate a
glow you can pass this gift card
forward to them.

Love, Dr Zac & Elly
