Hard working, energetic and experienced in Local Government. I will make well informed decisions representative of your views to create a safe, vibrant and diverse community. As a fresh voice, I stand for: prioritising sports and community facilities; increased local employment opportunities; services for our aging community; support for our fire brigades and volunteering groups; lobbying for modern internet speeds and mobile reception; preservation of our natural environment and ensuring the Hills lifestyle we all value is preserved for our children to enjoy. As a Parkerville resident, small business owner and father of two young children, I am passionate and proud of our region. I bring to the role 15 years experience working within media and journalism, most recently within Local Government. My wife and I also operate a small independent pharmacy in the Perth Hills region. I'm eager to hear your ideas and I thank you for your support.
