

MiniMax™ has the style and versatility to go anywhere.

- Be it Black Tie, Business or Casual, choose from a handsome variety of leathers, fabrics, colors and finishes to complement your lifestyle.
- Women love MiniMax™ because it fits inside those tiny designer handbags. Men love it because it disappears in front pants pockets.

The wallet and rubber band are dead.

- Don't be fooled by the simple, elegant, innovative design. MiniMax™ was granted a U.S. Utility Patent for its function.
- Solves the problem of bulky wallets, sloppy rubber bands and unsightly bulges once and for all.
- MiniMax™ will carry all you need and is all you need to carry.

MiniMax™
THE MINIMAL WALLET WITH MAXIMUM CAPACITY

MiniMax™ is what your wallet would look like after a very strict diet.

- *Ingenious slim and trim patented design holds money, credit cards, driver's license, photos and I.D. cards.*
- *Expands or contracts to carry up to 40 bills and 10 credit cards, or any combination up to 50, safely and securely.*
- *Fast and easy access to wallet essentials. Load the first credit card and the rest slide in easily. Fits in the palm of your hand and virtually disappears in front pocket or purse.*

**Innovative design and
quality materials create
a lasting solution.**

- High-quality leather or fabrics, stainless steel and flexible metal fittings assure your MiniMax™ maintains its shape.
- Expands or contracts to hold as little or as much as you want to carry. Up to 40 bills and 10 credit cards.
- Hidden magnet offers flexibility to adjust in order to firmly secure contents.
- Credit Card Holder rotates to improve access to cards and elastic firmly secures them in place.

**Perfect premium for
golf outings /corporate
gifts and functions.**

- Engrave your logo or initials on the polished brass, silver or stainless plate. Or emboss the strap.
- Customize your MiniMax™ by choosing from a broad selection of leathers, fabrics, colors and tags.
