Individual Counselling

I have practised in the western suburbs of Brisbane for 16 years and seen many clients explore their personal challenges to develop a clearer sense of self and improve their understanding of how the past influences their current situation and, in so doing, take charge of their future. This is what most people consider traditional "therapy". The fee is \$85 per hour.

Workshop - All About Women...

- Redefine yourself
- Explore defining moments
- Undertsand your personality
- Develop a new image (special guest speaker)
- Identify mistakes which prevent love
- Etc...
- Guest speaker

In The Feild Training

- Go on a real date
- Practise the real skills needed to impress the gal'
- Get feedback on your strengths and weaknesses
- You won't get more real-life than this!
- Guarenteed confidence builder.
