

# Portsmouth Team Building

**Portsmouth Team Building** offers fun and exciting corporate team building events and activities for company meetings in beautiful downtown Portsmouth, NH.

We offer both indoor and outdoor team building events.

**Amazing Race Event**- The mission is to locate specific locations throughout the Portsmouth downtown area using a handheld GPS unit then perform collaborative tasks and document with photos. This is not your typical scavenger hunt but a true collaborative team building experience!

**Bicycle Building Charity Event** – Teams have to solve a variety of puzzles and challenges in exchange for bicycle parts and tools. After bikes are inspected, completed bikes and helmets are donated to families in need.

**Stuffed Animal Charity Event** - Teams have to solve a variety of puzzles and challenges in exchange for animal parts and accessories. Completed animals are donated to police and firefighters to keep in their cars/trucks to comfort children during difficult times.

**Escape the Conference Room Event** - This is a fun and interactive event that take place in any conference room. Teams need to work together to solve mystery puzzles to escape. Teams have 60 minutes, so communication and collaboration are very important.

**Minute to Win It** - Teams compete in 1-minute events. This is fast pace and fun.

**Networking Event** - Turn your next event or meeting into a fun networking and collaborative event. There will be 20 stations with logic questions, physical puzzles, physical tasks and iPad tasks that teams need to complete to accumulate points.

**The Movie Studio Event** - Teams will be given Apple iPads and required to write, direct, and act in their own movie trailer. Typically teams will need to incorporate one of their company products into their trailer.

**Cake Competition** - Cake building team building event. Teams will compete against each other to building the most creative themed cake.

**The Marshmallow Challenge** - This event has been conducted by tens of thousands of people in every continent. Teams need to build the tallest structure with a marshmallow at the top.
