

The blue space outside the elements needs to be increased a little bit more so that it doesn't seem like the elements are touching the border of the blue sphere

The word cult and the white elements in the icon need to be the same color and I would like to see how they look if they were transparent and take the color of the background itself.

CULTARK
LET'S START A MOVEMENT

Both these elements (white curves & letters) have to have the same thickness. the round white dots need to be bigger but in a good proportion.
