

Ready, Set, Work! Workshop

Are you a current or just completed student of All Health Training?

You may benefit from attending a Ready, Set, Work workshop.

About the workshop

The "Ready, Set, Work" workshop is designed to **support and provide students with information, resources and skill sets to seek employment** in their chosen health care industry, whether that be Pathology, Aged Care, Home and Community Care and Health Services Assistance.

Topics Covered:

- ▶ Breaking down the barriers to seeking employment
- ▶ Communication skills - how to prepare for the interview
- ▶ Guest speakers - industry specialists
- ▶ Putting it into practice - mock interviews

Delivery Method, Location and Duration

This workshop is delivered in an interactive and engaging classroom format from our Blackburn facility and will run for 4 hours in duration.

Certification

Student will receive a statement of attendance upon successful completion of the workshop
