

Interested in EDA Membership?

ECONOMIC DEVELOPMENT AUSTRALIA (EDA) is the peak body for economic development professionals and practitioners in Australia

Through EDA, Economic development practitioners, allied disciplines, Government, consultants and industry from all parts of Australia can network, share ideas and bring economic development practice forward in good cooperation.

OUR ROLE

We aim to ensure that people involved at all levels of business, government and the community understand the key role that the economic development profession plays in today's society.

MEMBERSHIP BENEFITS

- Regular newsletters and e-newsletters to keep Members informed of important news and developments.
- Subscription to the quarterly professional journal with opportunity to contribute
- Invitations to national and state conferences, seminars and workshops at Members rates
- Access to the 'Economic Development Practitioner' certification program
- Access to 'Members' only section of the EDA website
- Access to the 'Member' database and 'Consultants' register
- Access to the on-line members forum where topical issues can be explored and discussed.
- Regular opportunities to network with peers from throughout Australia.
- Contribute to the State Practitioner Network and develop policy ideas that can be reinforced and supported nationally.
- Professional Development Program on economic development
