

Homepage exemple :

The screenshot shows the Hash.org website, a platform for electronic music lovers. The page features a dark theme with orange accents. At the top, there's a logo with a stylized hash symbol and the text 'hash.org'. Below it, a banner for 'BOOM FESTIVAL 2014' is displayed. A navigation menu includes links for 'l'asso', 'festivals', 'carte', 'covoiturage', and 'photos'. A search bar is prominently placed, allowing users to filter by festival name, type of music, date, and location. On the right side, there's a 'Sign in' section with fields for email and password, and a 'Create an account' link. Below the search bar, a featured event 'Hadra Trance Festival 2014' is highlighted, showing its location, date, and a video preview. Further down, a list of 'Incoming Festivals' is shown, each with a 'More details' link. The bottom section is dedicated to 'Covoiturage' (carpooling), listing various events and their carpooling options. On the right sidebar, there's a 'Festival map', a 'calendar' for January 2015, and sections for 'Recently added' and 'Recent photos'.

Annotations on the right side of the image:
