## Maximum Strength Vitiligo Treatment

# DERMAL DYE

by Alpine Valley Naturals

Waterproof skin dye  
used to darken light or  
unpigmented areas of  
skin affected by vitiligo,  
scars or other causes.

- Dermal Dye Vitiligo stain liquid will enable re-pigmentation in patches of skin
- Dihydroxyacetone, is a safe, FDA-accepted ingredient.
- Rapid results with uniformed skin complexion. Varies from person to person.
