

## About Diva Plastering, Melbourne

We are specialists in all aspects of plastering, rendering and corning throughout Melbourne. We undertake residential and commercial projects of all sizes, including home renovations, new builds and specialised architectural projects.

## Our Work

We work inside and out and take pride in delivering a high quality finish across a diversity of traditional and modern styles. We're always happy to provide advice and ideas - and deliver a service that's prompt, neat and on budget.
