

**Business Card:**

We are looking for a business card design that consists of back and front.

The card size must be 85mm 55mm

I have uploaded our logo and associated logos which must all be included on front side of the card.

The Company name is "The Moran Security Group"

The card must also include the sub heading of "specialist Security Services" and built point our services, which are:

- Static & Mobile Security Guards
- Key Holding & Alarm Response
- CCTV Remote Monitoring
- Door Supervisors

The card must also obviously have a member of staff's name, for illustration purposes just use "John Smith"

It must also contain a Land Line Phone Number, Fax Number, Mobile Number, Email Address and Web address. For illustration purposes please use the following:

Land Line 01709 000000

Fax 01709 000000

Mob 000000000000

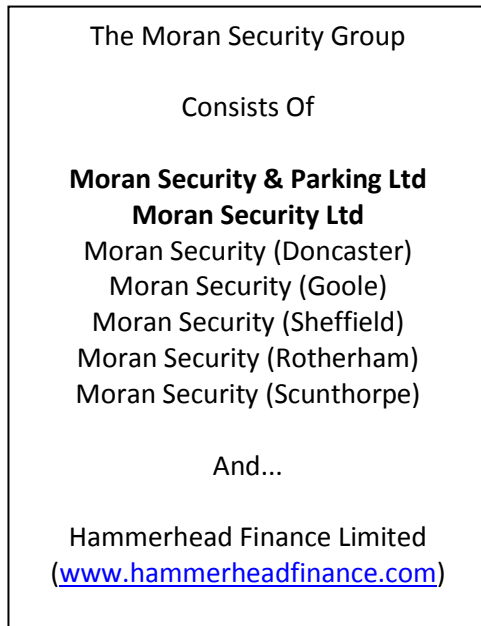

Email [adam.moran@moran-security.com](mailto:adam.moran@moran-security.com)

Web [www.moran-security.com](http://www.moran-security.com)

PLEASE DO NOT VIEW OUR WEBSITE FOR IDEAS SUCH AS COLOUR SCHEMES AS IT IS IN THE PROCESS OF BEING CHANGED

Colours can be based on the logo I have submitted and we open to all sorts of new ideas.

The Rear of the card must contain the following information:

Full colour is preferred to a white background with black text etc...

File Format...

Obviously we will need to edit the name and details of the person on the card prior to printing. So the card needs to be delivered in some sort of editable file, maybe pdf... I'm not sure

BUT

Once we have edited the details on the card we need to be able to save it as a .jpg for uploading to the printers.

**Letter Head:**

We require a high resolution A4 PDF letter head designed in the same style as the business card that contains our Logo and associated logo. It must also contain the list of our services from the business card section and the slogan "Specialist Security Services"

Must contain and the bottom our registered office and phone numbers which are as follows:

Moran Security Group  
Within Junction 1 Truck & Coach Wash

Sandbeck Way  
Hellaby  
Rotherham  
S668QL
