WONDERZORB™ Smoke and Odor Control Spray

Features and Benefits

WonderZorb™ Spray is a highly versatile and effective odor control spray. While most fragrances are only a short-term solution and briefly hide or mask odors, WonderZorb™ Spray controls and prevents odors from returning. WonderZorb™ is a fast and efficient solution for odor removal in commercial fleets. WonderZorb™ works well with smoke, pet odors, mold and mildew and other unwanted odors trapped in carpeting, upholstery and fabrics as well as hard surfaces.

Did you know?

- As of 2014, there were 2,073,000 rental cars in the United States.
- The most challenging odor problems rental car providers face are: trash odors, pet smells, heavy fragrances and cigarette smoke.
- 15-20% of all rental vehicles are returned with a heavy smoke odor.
- The average car rental cleaning costs \$150 - \$250 per vehicle.
- In many cases WonderZorb™ can treat a car for under \$10

Application

Simply spray directly on affected areas using a KT Chemicals approved sprayer.

Spray in a criss-cross pattern to ensure full coverage. Repeat as needed.

Allow proper ventilation during application
