Home away from home...

If you can *dream* it
we can **build** it

LEISUREBUILT SERIES

Chalet

About the Chalet

Perfect as the beach bach your Leisurebuilt Chalet is also ideal as a second dwelling on your inner city section or your farm or lifestyle block. All Leisurebuilt products are building code compliant, constructed using only high quality components for ultimate durability.

- Simplicity of design provides optimum living space
- Granny flat, Rental accommodation or Beach Bach
- Warm, spacious & comfortable
- Ideal home away from home

Duplex

About the Duplex

For those situations where size, installation, regulations or other design criteria necessitate, the Leisurebuilt Duplex series has the answers. Built as one in our factory, on two chassis the Duplex is split apart and transported to your location in two separate components, then reinstated as one on site.

Our designers will work with you to find an unsurpassed solution to your accommodation requirements, whether at the beach or in town.

- Classic Looks
- Design flexibility allows for unlimited options
- Ease of site access
- Versatile

Traveller

About the Traveller

For those situations where local rules (Council or Holiday Park related) state that a caravan must be seen to be a caravan, we present the Traveller series. The only things missing from the normal caravan concept with the Traveller are the rounded corners and poor insulation properties.

While encompassing the legal road towing demands* the Traveller is still built to meet, or exceed building code requirements, while offering the benefits of conventional building fit-out including kitchens, bathroom fittings, decks and porches.

- Legally Road Towable*
- Compliant to Holiday Park regulations
- Ease of site access
- Expandable to become a Duplex as required

* Legal road towing subject to unit weight, length and tow vehicle capacity
