NEW YORK

AT KATE SPADE NEW YORK, *we're always looking for ways to bring a hint of whimsy to the everyday.*

for our newest collection with lifeguard press, we've thoughtfully re-imagined a selection of desk accessories, stationery, gifts, party décor and entertaining accouterments with phrases and motifs that make us smile. there are colorful melamine trays for serving up outdoor party snacks, shiny gold staplers that transform work into play, and cream colored pencils for writing thank you cards, shopping lists, and well-composed love notes. whether whistling while you work, or whiling the night away over cocktail party candlelight, may the charm of each playful piece here add color to your world.

take note: we can't resist putting a pretty pen to personalized paper—especially cards that inspire flights of fancy or notebooks inscribed with a witty phrase and set in shiny gold foil.
