

THE HUB

A DESIGNER
SPACE FOR
CREATIVE MINDS.

AT

HONEY

Inspiration is often found outside the square, away from the four walls that bind. Let our place become your extended office, your creative space. For the well organised or last minute meeting.

Wifi, multi-media equipment, a flexible floor plate and our commitment to making it work within your budget.

The Hub at Honey is your office home away from home.

Meet. Work. Play.
