

## Catholic Education

Catholic education has a strong, rich history in Saginaw County. Our mission of educating students to excel academically in a faith-based environment dates back to 1878. Many things may have changed since 1878, but some things hold true yet today. We continue to provide an outstanding academic education in a Christ-centered learning environment and we continue to shape future leaders of our church and our world.

## Nouvel Catholic Central Elementary School

We strive to create an atmosphere where:

- We foster in all students a strong sense of faith through traditions and Catholic beliefs.
- We prepare students to be confident, caring Catholic Christian citizens who understand their responsibility in serving our community.
- We are dedicated to maintaining the highest standards of education within a structured, inclusive and safe learning environment where all students' needs are met.
- We strive to maintain highly qualified, dedicated, faith-filled teachers.
- We respect all by creating an atmosphere of open and honest dialogue at all levels.
- Recognizing the need to educate the whole child, we offer and encourage students to participate in our fine arts, athletic and other extra-curricular programs.

We look forward to continuing to offer excellent spiritual and academic programs to all students who enter our doors.

## Nouvel Catholic Central High School

We inspire the best in students as they strive to reach their fullest potential. Nouvel believes in educating the whole student—mind, body & soul—in a faith-based school environment. We are a regional comprehensive high school that is small enough to feel connected, yet big enough to offer countless opportunities for growth and success through areas such as AP courses, STEM classes, clubs, retreats, sports, the arts, and more.

At Nouvel, a challenging curriculum along with the efforts of committed educators and involved parents combine to fuel academic success, as marked by our 100% graduation rate. Scholarly achievements include National Merit Scholar recognition, excellent AP pass rates, and being selected as one of the top 50 Catholic High Schools by the Catholic High School Honor Roll. The number of scholarships our students earn, combined with their outstanding preparation for college and beyond helps to make a Nouvel education an unparalleled investment.

Come and experience the difference.
