

## Dental Health Advantage Premier

includes 100% of your preventive care—cleanings, x-rays, checkup exams—with zero co-pay. It makes it affordable and easy for you to keep up your optimal schedule of preventive visits to maintain your health.

Premier membership is a simple agreement between you and Morgan Dental Care; there's no third party involved, no claims to fill out and no worry about whether your claim will be approved.

You will know what your benefit and bottom line cost is before you start treatment.

Joining is a no-brainer: even if all you need are your regular cleanings, x-rays and exams you will save money. And if you do need more dental work, you will save more, potentially a lot more.
