Gail Thackray, a psychic medium and healer, teaches natural healing through Reiki and energy alignment. Gail works with the spiritual realm to release ailments and negative issues in the energetic body by connecting people to Source. Through her exploration of alternative modalities, Gail has aligned with powerful spirits who work through her. People report spontaneous healings just by attending one of Gail's healing meditation events. Based in Los Angeles, Gail hosts *Gail Thackray's Spiritual Journeys*, a documentary series where she travels the world seeking out great healers, and places of spiritual and supernatural significance.

## BECOME A MEDIUM & HEALING CHANNEL

Gail is an exceptional psychic and will give a demonstration of her connection to spirit through mediumship and spiritual healing. She will give readings and healings to participants, cutting chords and clearing auras. Then she is going to activate you and show you how to perform the things she does.
