Alfonzo Jones ★★★★★: Looks perfect to me. (2, after 3 seconds, WARNING: time spent below minimum threshold)

John Smith ★★★★★: Good job! (2, after 35 seconds)

Patty Arbuckle ★★★★★: Pretty good job, but the font is not the required font (1.5 after 182 seconds)

Additional feedback (optional):

! Regression
Analysis

Alfonzo Jones ★★★★★ Looks perfect to me (5, after 3 seconds, WARNING: time spent below minimum threshold).

John Smith ★★★★★ You forgot to explain your r-square value so I took off one point as per the syllabus. (4, after 600 seconds)

Patty Arbuckle ★★★★★ : One of your coefficients was negative, but your interpretation indicated it was positive (3.5, after 854 seconds)

Additional feedback (optional):

There were several issues with your interpretation of the regression output. Please see t

Something
Else

Alfonzo Jones ★★★★★ : Looks perfect to me (3, after 180 seconds).

John Smith ★★★★★ : Good job! (3, after 220 seconds)

Patty Arbuckle ★★★★★ : As far as I can tell, you completed all of the rubric requirements (after 287 seconds).

Additional feedback (optional):

Own Score: 10/10 (100%)
Other Score: 8.25/10 (82.5%)
Initial algorithm score: 9/10 (90.0%)
Instructor score: 7.75/10 (77.5%)
