

---

## **STEP ONE:** *Initial Intake*

Our Initial Consultation consists of:

- \* A review of previous testing
- \* A review of prior written reports
- \* Meeting with the parents

## **STEP TWO:** *Placement Identification*

After gathering and analyzing the information, speaking with the professionals involved and meeting with your family, we match your unique profile and needs with an appropriate program.

We use our knowledge from on-site school and program visits around the country to ensure the right academic, therapeutic and social setting specific to your needs

## **STEP THREE:** *Follow up*

Once the right programs are identified, we work closely with your family throughout the admissions process, guiding and lending support while decisions are made.

We are available to your family and monitor progress for the first six months of placement.

**Barbara Posner** holds a bachelor's degree in Early childhood education from Wheelock College, Boston, MA, and a master's degree in sociology and education from Teachers' College, Columbia University, NY. She is a NY State certified Special Education teacher. Her postgraduate training includes extensive course work in Special Education, English as a Second Language and parenting education.

In 1980, she founded the Northern Westchester Parent Child Group, a parent education and support group in Bedford, NY. Barbara served as their Director until 1989 and as a group facilitator and educator until 1996.

In 1993, Barbara was appointed to the Board of Directors of Children and Adults with Attention Deficit Disorder of Westchester County, NY (ChADD) and served as Vice President and the head of their speakers' bureau. She is also a member of the Independent Educational Consultants Association (IECA) and National Association of Therapeutic Schools and Programs (NATSAP). She has served on the Child Psychiatric Research Community Advisory Board at Columbia University, College of Physicians & Surgeons.

In 1997, Barbara founded Educational Resources to support and place students with special needs in schools and programs.

She is dedicated to supporting children and their families in selecting the most appropriate program to promote success.

**Lucy Pritzker** has a bachelor's degree in Education and a master's in Addiction Counseling. She has worked as a mental health counselor, a NYC high school substance abuse counselor, a crisis worker, and a teacher for Learning Disabled students and students on the autism spectrum. In addition to her professional knowledge, Lucy knows from personal experience, the challenges of raising a special needs child and just how invaluable the right program is.

Lucy is on the Board of Directors of Families and Communities Together (FACT), a non-profit agency that assists families of Union County, NJ who have children with emotional, behavioral, social, and mental health needs. She is a member of the Independent Educational Consultant Association (IECA,) the National Association of Therapeutic Schools and Programs (NATSAP) the International Dyslexia Association (IAD) and Children and Adults with Attention Deficit/Hyperactivity Disorder (CHADD).

In 2011 Lucy founded Consulting For Special Needs to help families find appropriate educational and therapeutic schools and programs for their children. In 2013, Lucy and Consulting for Special Needs merged with Educational Resources Unlimited (ERU) and Lucy is now seeing families in her NJ and NY offices.
