Project Briefing:

We are looking for a modern, clean business card design for our new company. We are a consulting firm focused on the financial services market providing management and IT consulting to banks, insurance companies, etc. Please include our company logo and company contact information from the attached file in the design. Two versions of the logo are attached, either version is acceptable. Logos are available in other file formats if needed. We would like to include the contact information for both our UK and US offices as well as the following information for each individual card holder: Name, position/title, address, phone number and e-mail address.
