

**For the price of
a cup of coffee*
you can ensure
your kids get
the right start.**

It doesn't sound like much, but when it comes to life insurance, \$3⁴¹ a day can make a huge difference if you were to die.

For the cost of a cup of coffee a day, you can ensure your family will be left with enough to protect the home, pay for ongoing living expenses and fund your children's continued education.

Life is important.

Protect the things that really matter.

* For a monthly (level) premium of \$98.56, a 40 year old non-smoking male professional can obtain \$600,000 in term life cover.

Example for illustration purposes only. The premium cited is current as at February 2006, is based on the factors referred to in the example and subject to underwriting.
