A great movie

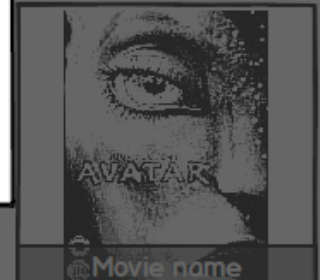

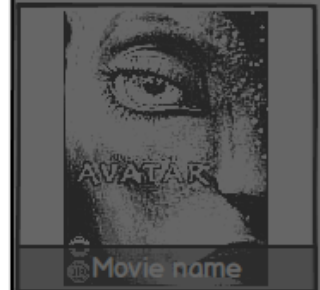

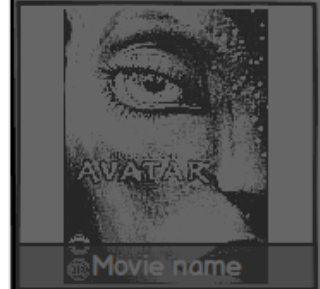

1998, Drama

Lorem ipsum dolor sit amet, consectetur adipiscing elit. Pellentesque lacinia tellus in libero sollicitudin placerat. Aenean scelerisque sem ut tortor aliquet lacinia. Proin ut erat metus, ornare molestie nibh. Cum sociis natoque penatibus et magnis dis parturient montes, nascetur ridiculus mus. Integer pharetra adipiscing interdum. Integer gilla enim id felis egestas quis convallis metus scelerisque. Integer nec sit amet bibendum velit. Integer nibh ipsum.

Video metadata is optional, min. metadata includes only Title, so the design has to deal with that, not to leave a lot of free whitespace

Video 1	3:45
> Video 2	6:12
Video 3	0:34
Video 4	3:12

This list represents either all videos in the container (when clicked Play All), or items from the Queue; it might also include a mini thumbnail of the video
