This is a two-column layout. This is ideal for placing text alongside imagery. The formatting is similar to that of the bulleted copy, with a font size of 10pt. The reduced font size will allow greater legibility in narrow paragraphs such as this one. This is a two-column layout. This is ideal for placing text alongside imagery. The formatting is similar to that of the bulleted copy, with a font size of 10pt. The reduced font size will allow greater legibility in narrow paragraphs such as this one.
