

Logo Examples

Like hangar structure – looks too much like mini storage with all the doors.

Like the integration between logo and name, polished

Clean and fresh – good name and logo integration

Like hangar theme – change aviation to boat

Trendy feel

Like hangar theme, simple, strong, classic

Classic

Too old school not fresh, scale is off with coastal and boat stuff – just wanted to show integration between hangar and boat industry

Simply, clean –sailboats are not really our target, but very universal sign for boats – may work.

Simple, clean
