Standard Contract Terms and Conditions for Merchandise Warehousemen

(Approved and promulgated by American Warehouse Association. October 1968: revised and promulgated by International Warehouse Logistics Association, January 1998)

ACCEPTANCE – Sec. 1

- (a) This contract and rate quotation including accessorial charges endorsed on or attached hereto must be accepted within 30 days from the proposal date by signature of depositor on the reverse side of the contract. In the absence of written acceptance, the act of tendering goods described herein for storage or other services by warehousemen within 30 days from the proposal date constitute such acceptance by depositor.
- (b) In the event that goods tendered for storage or other services do not conform to the description contained herein, or conforming goods are tendered after 30 days from the proposal date without prior written acceptance by depositor as provided in paragraph (a) of this section, warehouseman may refuse to accept such goods. If warehouseman accepts such goods, depositor agrees to rates and charges as may be assigned and invoiced by warehouseman and to all items of this contract.
- (c) This contract may be canceled by either party upon 30 days' written notice and is canceled if no storage or other services are performed under this contract for a period of 180 days.

EXTRA SERVICES (SPECIAL SERVICES) – Sec. 8

- (a) Warehouse labor required for services other than ordinary handling and storage will be charged to the depositor.
- (b) Special services requested by depositor including but not limited to compiling of special stock statements; reporting marked weights, serial numbers or other data from packages; physical check of goods; and handling transit billing will be subject to a charge.
- (c) Dunnage, bracing, packing materials or other special supplies, may be provided for the depositor at a charge in addition to the warehouseman's cost.
- (d) By prior arrangement, goods may be received or delivered during other than usual business hours, subject to a charge.
- (e) Communication expense including postage, email, facsimile, telegram, or telephone will be charged to the depositor if such concern more than normal inventory reporting or if, at the request of the depositor, communications are made by other than regular United States Mail.
