## SERVICE, EXPERIENCE & SKILLS

Established in 2005, Back On Track has been a boutique provider of occupational health services to industry throughout South East Queensland including mining, energy, construction, warehousing, logistics, health and government.

Our approach to safety is founded on the knowledge that investing in workers' health will improve business performance, productivity and safety.

Back On Track consultants have backgrounds in physiotherapy, occupational therapy, psychology and medicine. Principal Consultant, Leanne Loch, completed a Bachelor of Physiotherapy at University of Queensland in 1998, a Graduate Certificate in OH&S at Curtin University in 2003, a Postgraduate Diploma in Ergonomics at University of Queensland in 2004 and holds a Certificate IV in Workplace Training and Assessment.
