

THANKS TO WIZ KIDS

I'm doing **GREAT** in school!

Two lessons a week can make a big difference!

The Wiz Kids Learning Centers have developed a successful method of teaching math, reading and writing for students in grades K-12. The Wiz Kids multi-sensory method of personalized instruction provides maximum learning in the minimum amount of time. More than just tutoring, it's a better way of learning. FREE pre and post-tests are given to measure improvement.
