*AMG International has been proclaiming the love of Christ
in word and deed since 1942.*

For children in
need, there is a
bridge to hope;
there is a
Bridge to Life.

You can build
a *Bridge to Life* for
a boy or girl to cross
over life's brokenness.

For Elbia,
the bridge led from
poverty in Guatemala
to a high school diploma
and beyond.

Budiyanto,
once hopeless, now
shares the hope of Christ
as a pastor in Indonesia.

"Let the children come to me..." (Jesus, Mark 10:14).

Stella,
orphaned as a child, is
now a teacher in Uganda.

You can transform a life through the power of the Gospel, making the love of Christ known and felt.

*Your partnership through **Bridge to Life Sponsorship** makes all of this possible in the life of a child. Children experience different levels of need, but every child fits within our three-tier model.*

Tier 1:

Your sponsorship provides a child with daily opportunities to hear and respond to the Gospel message, learn from Scripture, receive nutritional supplements, basic medical care, tutoring, and educational support. Your support fills in the gaps their parents cannot provide to ensure a hopeful future. Over 90% of kids under AMG's care are helped at this level.

\$32 per month.

Tier 2:

Your support provides everything that comes with a **Tier 1 Sponsorship**, plus additional needed services (such as full room and board).

\$64 per month.

Tier 3:

You can provide everything a child may need in more extreme circumstances (orphans, abandonment/abuse situations, rehabilitation, and more).

\$96 per month.
