## Global Immigration & Mobility Practice

With more than 150 migration professionals in over 40 countries, our global immigration and mobility practice combines the knowledge and resources of a global enterprise with talent on the ground to provide superior service. We have more than 50 years experience in offering global organizations comprehensive business immigration services on a worldwide scale.

We have been at the forefront of developing innovative and comprehensive solutions. Our model responds to the needs that our Fortune clients have identified as essential to their business operations, including top performance levels, one-stop account management, customized IT solutions, and 24/7 access to our people and our resources. We launched this global service model, with its unique attention to global compliance issues, long before our competition, and we continue to adapt our model to ensure we proactively address challenges likely to face our clients.
