

# WE WANT YOU!

**LIMITED DISTRIBUTION OPPORTUNITIES  
IN THE US CURRENTLY AVAILABLE!**

## AMERICAN MADE WHOLESALE LED LIGHTING

Axis proudly offers a Made in the USA product line of LED tubes appropriately named the Patriot Tube. These high quality and dependable American made products are competitively priced with foreign made tubes, DLC listed & UL rated, and backed by a 5 year warranty (up to 10 years for qualifying orders).

American made LED tubes from Axis LED opens up a world of possibilities that you should expect from the global leader in LED tube and panel manufacturing. Buy American Act (BAA) compliant Patriot Tubes are redefining what is possible within the US Government lighting sector. Because of the advances in manufacturing and the strategic business planning of Axis LED, no other US made LED competitor can match the price, the quality, or the service Axis is able to offer.
