

E-HOUSE

LIVING LEARNING COMMUNITY

The purpose of the Entrepreneurship House (E-House) Living Learning Community (LLC) is to provide students at Georgia State University with the opportunity to live, learn, and participate in activities that have an entrepreneurship and innovation focus.

Students with entrepreneurial ambitions will be able to connect with others who share similar interests and aspirations. Using resources provided by the E-House LLC and the Entrepreneurship and Innovation Institute, residents will begin to develop their ideas, as well as participate in experiences that include workshops, competitions, mentorship, exposure to the Atlanta ecosystem, and peer-to-peer networking.

The E-House Lounge will include:

- Collaborative study space
- Dry-erase walls
- 65-inch touchscreen monitor
- Internet connectivity
- Printing capabilities
