

## Banner design

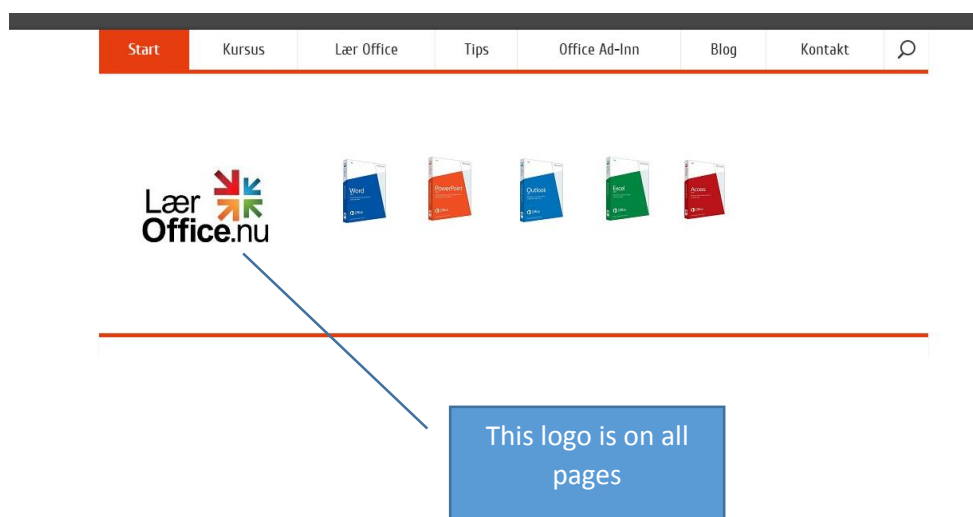

I need four banners for my website, [www.LaerOffice.nu](http://www.LaerOffice.nu). I am not a designer, as you can see – I teach Microsoft Office, but I need my site to be good looking at get some customers. The site is in Danish, if you wants to include any text just give me it in English and I will translate it into Danish

I am using WordPress and the theme, Victory. You can see the theme at this link:

<http://us-themes.com/wp/Vittoria>

I need my banner to be as cool as they are in the demo 😊

The animations are made by, using layers. I just need you to supply me with the layers. I will set up the animations myself.

Use the colors in the logo

## Banners

1. This banner has to include my Office certification – Microsoft Office Specialist

I have attached the “logo”

2. Promotion of the Microsoft Office products that I teach people to use:
  - a. Word
  - b. Excel
  - c. Outlook
  - d. PowerPoint
  - e. Access
  - f. OneNote
  - g. Project
3. On this banner I would like to get people to subscribe to my tip of the week  
It has to include a button, there takes the customer to a join page. Every week I send out a Microsoft Office tip
4. One banner where you are creative 😊 ???
