There's Something Magical About Playing Here

Located in the middle of Walt Disney World® Resort, athletes competing at the ESPN Wide World of Sports Complex live the "I'm going to Disney World" MVP moment each and every day. From professionally manicured fields and ESPN entertainment to the awe-inspiring attractions of Walt Disney's world-class theme parks, there is something magical and unique about playing here.

In the Josten Center and the HP Field House, home to our Netball and Basketball events, all the superb indoor courts are marked for multi court game play with spectator seating. The spacious, state-of-the-art sports halls are air conditioned, provide locker rooms for team use, offer sprung flooring, spectator viewing, warm up areas and restroom facilities. The HESS® Sports Fields provide a majestic setting for our soccer and rugby teams. These spacious and versatile immaculately groomed fields, feature seven grass playing surfaces, floodlight pitches and four convertible fields which we will use for our All Star International Team Challenge.
