

TRANSFORMATION INTERNATIONAL

RELIEF AND DEVELOPMENT TRANSFORMING COMMUNITIES

“Syria has become the great tragedy of this century
with suffering and displacement unparalleled in recent history
... an epic humanitarian catastrophe.” — UNHCR

TRANSFORMATION INTERNATIONAL is a company that facilitates meaningful community change by providing efficient humanitarian aid programs that reduce suffering, develop local capacity, and enable resilience in hostile security environments.

SYRIAN CRISIS FOCUS: Serving vulnerable populations affected by the Syria crisis.

PROVEN EXPERIENCE IN:

- **Relief Operations** — Targeted relief programs—food and non-food-items (NFI)—and distribution networks in Jordan and Kurdistan, Iraq.
- **Agricultural Development** — Model farms, greenhouses, and hydroponics programs in Jordan and Iraq.
- **Community Development** — Facilitating political transitions, democracy, human rights and humanitarian principles training, election monitoring, local governance, and education.
- **Neutrality** — Ensuring neutrality in all operations with active monitoring and reporting.
- **Protection** — Priority focus on protection in all levels of programming and operations.
- **Hostile Environments** — Proven experience executing relief and development programs in unstable and insecure operating environments serving refugee and IDP populations.
- **US, UN, and NGO Operations** — Senior leadership with long-term UN, NGO, and US Government management experience.
- **Middle East Operations** — Middle East operations in Jordan, Iraq, Yemen, Egypt, Gaza, and the West Bank.

PROPOSAL FOR NEW PROGRAMS AND PROGRAM DIFFERENTIATORS:

- **Food Security and Agricultural Development** — Undertake comprehensive food security programs in the greater Levant through targeted food relief and by building hope, capacity, and community through agricultural innovation and direct farmer engagement.
- **Quality of Life (NFI)** — Transforming communities through resilience-building NFI (i.e. heating/cooking gas and hygiene kits) delivered to vulnerable populations.
- **Resilience** — Develop local capacity and leadership by providing thoughtful and sustainable solutions, which enable resilience.
- **Neutrality** — Maintain neutrality standards in highly volatile and politically sensitive environments, utilizing robust monitoring and evaluation tools.
- **Protection** — Deliver needs-based and rights-oriented protection at all levels of programming, service delivery, and follow-up, with a primary focus on vulnerable groups.
- **Responsive** — Adjust rapidly to donor requests, evolving community needs, and new threats.
- **Scalability** — Utilize phased approach, scaling in scope and size over time.
- **Focus** — Target aid to leverage expertise, meet community needs, and align with donor mandate.
