

Kindly follow the below revisions, indicated with red squares are the areas requiring adjustment:

#	Proposed Design	Reference Image	Additional Image	Revision Required
1	 member 2			Rename this member to #1 Fix edge of left eye, and align the pupils as looks like member is cross-eyed
				Keep his cloths, just please add stethoscope and on rings and watch to areas outlined on
2	 member 2			Fix left eye, and align the pupils as looks like member is cross-eyed, also fix both hands to show all fingers
				Keep the face and hair of this member, just change the cloths to match the additional image cloths, light shades if possible
3	 member 3		Logo:  Glasses: 	Keep everything the same, just add glasses and a logo on the t-shirt as shown in additional image
4	 member 4			Keep all the same but remove the mark lines on the neck/chest area and the head crown, add a simple necklace and change the color of the hair same as the additional image. Also fix both hands to show all fingers.
5	 member 5			Keep all same, fix the area around the eyes and including the eyes. The circular area around the eye is lighter in shadow and the left eye is blurred.
6	 member 6			Keep all same, fix the eyes, adjust the t-shirt to be V-necked, and try to minimize the white space near the arms. Try something different than heart, if you can integrate anything to do with drum sticks this would be good, he is a drummer.

7	 <p>member 7</p>			<p>Please add a necklace as shown in original image and earrings. Also let us try to change the color blue here, as we have a lot of blue outfits already.</p> <p>Can we change the outfit to the additional image.</p>
8	 <p>member 8</p>			<p>Keep all the same change the color and shades to an alternative color, fix the mouth and add stud earrings as shown in additional image.</p> <p>Adjust the nail polish to a more traditional color.</p>
9	 <p>member 9</p>			<p>Can we adjust the face to be slightly similar to the additional image.</p> <p>Also, can we change the t-shirt to be a chemise polo with symbol.</p>
10	 <p>member 10</p>			<p>Can we change the hair color to be the same as the reference images, also try to make the face slightly similar to the additional image.</p>
11	 <p>member 11</p>			<p>Keep all the same, just adjust the face to be closer to the additional image</p>
12	 <p>member 12</p>		<p>No additional image required</p>	<p>Keep all the same but fix both hands to show all fingers.</p>

Can we start the design of the packaging to be similar to the image above, including santa hat above and two members: #8 and #9

Also to have same color and pattern as the reference image.

Please try to print and cut out to ensure that layout is correct as I will test it out once sent back.
