Testimonials

If you don't have the control over your SEO like you would with Home Inspector Pro hosting you are wasting your time and money. I have used other site builders and nothing comes close to the ease of use, freedom in design and the support that HIP provides.

It takes months to get ranking but HIP HOSTING = FASTER RANKING.

Holy cow!!! I haven't submitted the site yet and I'm ranked #1 for my search terms after 3 weeks!

But the BEST thing about all this is I can change ANYTHING I want at ANYTIME with only a couple of clicks! Bill Warner - www.DaytonThermalInspection.com
