

ABOUT THE SERIES

Messages of Inspiration

by Dr. Frank E. Ray, Sr.

Over thirty years of preaching the anointed Word of God has resulted in a collection of messages to inspire Christians to be faithful in their walk with God. These messages are meant to bring hope, encouragement, and instruction to God's people. Through my years of pastoring, teaching, and counseling, I have learned that many desire to live the Christian life, yet struggle to practice biblical principles in their daily lives. God has revealed the depths of our human needs, fears, and frustrations to me and has shown me how His Word can be applied to every life situation.

The Messages of Inspiration series is about overcoming heartaches, adversity, and uncertainty. It is about living out your salvation in a way that glorifies God and builds His kingdom. It is about finding answers to the question we dare not ask.

I hope that in these messages, you will find joy, peace, laughter, hope, and the courage to be steadfast in your faith. My prayer is that your mind will be renewed, your Spirit strengthened, and your heart made complete with the love of God.
