

The logo will be used for a Company selling Nutritional Supplements and Skincare Products which are all Natural. We need a Logo designed which displays a soft feeling of Nature – possibly plants or trees made as a part of the logo but not too busy – keep it simple and clean. We do like the Font Termina. The Product line sold will be All Natural products having a little bit of Handmade Look to it - please keep this in mind when designing the logo.

Termina Medium  

# Naturelle

---

Possible sample below with two arms used as tree trunk

Naturelle

Sample with trees – should not look like Christmas Trees

Naturelle
